BREAKFAST SUPPER.

"By a thorough knowledge of the natural laws which govern the operation of digestion and matriculum, and by a careful application of the fine properties of well-selected tocoa, Mr. Epps has provided for our break fast and supper a delicately flavored beverage which may save as many heavy dector's bills. It is by the judicious used such articles of diet that a constitution may be gradically built up until strong enough to resist every tendency to disease. Hundrein of subtle maladies are floating around as, ready to attack wherever there is a weak point. We may excape many a fund a fast by keeping ourselves well for filled with the constitution of the constitut

DISCUSSING RAPID TRANSIT.

The Special Committee appointed by the Chamber of Commerce at its last meeting to examine into the subject of rapid transit and report what action, if rapid transit and report what action, if any, it was advisable for the Chamber of Commerce to take for the purpose of aiding in the solution of this problem, held its first meeting this afternoon.

The subject was discussed in a general way and the Committee will meet again before Feb. 15 when it will have its report ready to present at the adjourned meeting of the Chamber of Commerce to be held on that day.

Gold Eye-Glasses.

Wellington Foreclosure Isn't it remarkable? The sale started in on Monday with most extraordinary crowds, and has been swelling in force and volume every day.

Public interest increases as the people get more familiar with the values. The sale is cumulative. Nearly all the big special lots heretofore advertised are still on sale. Many new lots are added daily. What we said at the outset grows more evident every day, viz., that

it is the largest sale of Dry-Goods and the most favorable opportunity for buyers that the people of New York or any other city have ever known. Dry=Goods.
